## **Appendix 9 - Cadet Uniform Requirements**

The items listed below are minimum requirements. Ensure your uniforms fit properly and your hair is within standards prior to arrival. Washers/dryers are available, but in limited numbers. Cadets will be washing their PT gear with the rest of their flight, so their items must be labeled in some way or laundered in a single laundry bag to be returned to the wearer. There is no way we can provide extra uniform items to any cadet while at CLC/CSLC, so make sure you come with everything you will need. Do not bring ropes, medals, wheel hats or high-heeled shoes.

Cadets that normally wear daily contact lenses are encouraged to wear their glasses during CLC/CSLC due to the limited morning prep time available.

MINIMUM CLOTHING ITEMS CHECKLIST– THESE ARE MINIMUMS, CADETS MAY BRING EXTRA IF DESIRED
