The **JROTC Leadership & Academic Bowl (JLAB)** is a nationally recognized academic competition created exclusively for cadets.

- Improve SAT/ACT scores
- Access to college prep materials
- Increase interest in college admissions
- Demonstrate the academic strength of the JROTC program
- Earn the opportunity to travel to our nation's capital

Teams consist for 4 members and 2 alternates

We will focus on the following subjects:

- Math
- Science
- Language arts
- “How to get into college”
- Financial literacy
- Current events

12.11.46. Joint Leadership Academic Bowl (JLAB) Ribbon. Cadets must be a member of the JLAB

team. Criteria for this award is published in this Cadet Guide. For each additional ribbon earned an additional bronze oak leaf cluster will be awarded.

In **UAS (Unmanned Aircraft System)** cadets will learn about, operate, race, compete, and perform maintenance on UASs.

- Missions: Flown in support of a request, such as video coverage for football, band, school administrators, etc.
- Practice time may be utilized to prepare cadets for the knowledge needed so they can take their test for their Federal Aviation Administration Remote Pilot Certificate

*Unmanned Aircraft Badge
Awarded for successful completion of the Remote
Pilot Certification Test.*

The Air Force JROTC **Flight Academy** is an approximately 8-week summer aviation training program, conducted at partnering universities nationwide. Upon successful completion of the program, students are awarded a Private Pilot's Certification.

TX-20081 Provides tutoring for cadets interested in applying for this scholarship program.

- Cadets will be responsible for reporting weather by building a slide for the Daily Announcements slide deck.
- Weather Team also teaches cadets about all different types of weather phenomena and weather safety.
- Weather Team also uses real life examples such as hands on science experiments to demonstrate weather phenomena.
